

CAHL CONGRESS & ANNUAL AWARDS

COLLABORATE. INNOVATE. ELEVATE.

A message from California Association of Healthcare Leaders:

Due to the ongoing COVID-19 pandemic and our continued vigilance for public health and the safety of our members, presenters, and communities, CAHL leadership will not be hosting CAHL Congress 2020 as an in-person conference.

Honoring our theme Collaborate, Innovate and Elevate, we are excited to offer the same high-quality immersive educational experience previously planned for CAHL Congress in an entirely virtual format!

Our virtual program will bring together leading experts in the field and top executives from across the healthcare industry on contemporary topics relevant to all healthcare professionals. And in doing so online, we are proud to increase accessibility to this rich learning experience to healthcare professionals beyond our geographic communities. As a chapter, we are actively working with ACHE to approve Face-to-Face credits for online events.

As CAHL members, you will be the first to learn of dates and topics we will offer this year. Please look out for additional communication from us in the coming weeks. You can also stay connected with us and receive updates through <https://ache-cahl.org/>.

Many of our members registered for the in-person event(s). We thank you for your patronage! You will receive a full refund of tickets purchased for in-person event(s) in the next 7-10 business days. Please remember you are responsible for canceling hotel reservations associated with CAHL Congress 2020, as the discounted room rate is no longer available.

If you need assistance or have questions or comments, please contact achecahl@gmail.com and include a telephone number where we can reach you directly.

We look forward to your participation in our upcoming virtual events!
